WINTERS RUN, Rockville, MD

Beautifully maintained and updated home in a tucked away neighborhood. The kitchen has been extended to add a large casual dining space with oversized windows to take in the manicured backyard. An earthy tone is created by the brown quartz countertops and the rustic wide plank hard pine flooring. The kitchen shares the main level with the formal dining room, formal living room and private office. Down half a flight of stairs is the large family room accented by a brick wall fireplace, a full bathroom and a cozy den for reading or watching television. From the foyer up a half flight of stairs is the master bedroom and two additional bedrooms. The full bathroom on this level was completely renovated to include a heated floor! The unfinished basement is great for storage. Updates include roof in 2019, new electric panel 2021, new chimney in 2018, new hardscaped front porch 2025, new windows on the front of the home 2025, newer windows to the rear of the home, new dishwasher and new washer dryer!
