Residential on 0.18 Acres

GLEN ECHO HEIGHTS, Bethesda, MD

Sited on a private lot in the heart of Glen Echo Heights, 5128 Wissioming Road shines with light-filled contemporary design, dramatic fixtures, and thoughtful details throughout.

Delivering 5,000+/- square feet across four finished levels, this 6-bedroom, 4 full and 2 half baths home combines generous proportions with intimate spaces. Finer details include oversized windows, crown and decorative moldings, hardwood floors, and two fireplaces. Multiple outdoor spaces extend the living, providing both serene retreats and entertaining backdrops.

A charming front gate and flagstone walkway lead to a covered front porch that opens into a foyer with high ceilings and an elegant flow. Sunlit living and dining rooms anchor the main floor, complemented by a home office with wood-paneled ceiling and built-ins, a powder room, and a gourmet kitchen with center island and breakfast bar open to the spacious family room. From here, step onto the back deck or down to the expansive patio surrounded by mature landscaping for privacy and quiet gatherings.

The second floor is home to the primary suite, complete with private sitting room, custom walk-in closet, and updated en-suite bath with dual vanities. Two additional generously sized bedrooms with walk-in closets, a hall bath, and laundry complete this level. Need more space? The third level is outfitted with three bedrooms, another full bath with dual sinks and two toilets, along with abundant storage space.

The walkout lower level includes garage access via a private entrance, a recreation room, a large storage area, and another full bath.

An attached two-car garage and private driveway add convenience, while the setting places you just a short stroll from the Potomac River and Glen Echo Park. Glen Echo Heights itself is known for its tree-top canopies, trails, and close-knit feel, plus a neighborhood park with playground, basketball court, and multi-use field. With easy access to downtown Bethesda, Friendship Heights, NW D.C., and major commuting routes, this home delivers the best of both: a secluded retreat in a supreme location. All square footage estimates are believed to be reliable but are not guaranteed.
